

# Bordon

## Key words:

map : A picture that shows where places are.

Bordon: The town where our school is.

Features: The things that are in a town.

A map is like a picture taken from the air by a bird. Things that are close to each other in real life are near to each other on the map.

Some things are very close.

Some things are in Bordon.

Some things are a long way away.

What features are there in Bordon?

## What we already know:

We know what Bordon is like.

We know some close places and some far away places.

We have looked at some simple maps.
