

Reading

Your child will have a reading book and a new reading diary from. They can change their book each morning when they come into school. Each class has a day when there will be an adult to help them choose.

On the front of their reading diary will be a coloured sticker, this tells your child which coloured book box they should choose their book from.

If you could record in the diary each time you hear your child read it will ensure that your child moves up and their achievements get recognised. They will move up on the class reading rockets for every 10 times they read, which should take about two weeks.

When your child has read 100, 200 or 300 times they will then be mentioned in Celebration Assembly.

Rabbit class change their books with an adult supervising on a **Monday**. They will be encouraged to change their book independently every day if they need to.

We count reading diary entries on **Fridays**. Children will stand up the following Friday if they have reached 100, 200 or 300 reads.

Rabbits

Welcome to your new class.

This leaflet gives you some basic information about our class. If you have any questions please come and speak to us.

Your class teacher is Miss Wilson

Your learning support assistants are Mrs Burningham and Mrs Henderson-McClane & Mr Wainwright (Thursdays)

The School Day

Please wait on the playground in the mornings. One of the teachers will ring a bell at **8:40am** and the children will need to go and line up on the rabbit animal spots.

At the end of the day the teachers will send your child out from the classroom door, to you at **3:20pm**.

If it is not going to be you picking up your child there is a diary by the class door. This is for you to write the name of the person who is picking them up that day.

Water and Fruit

Please provide your child with a named water bottle every day. They will bring it home each day.

We give every child a piece of fruit in the afternoon but if you would like to send them in with some fruit for morning playtime please do so.

Book bags

Children will need to bring a book bag to school every day. We only allow book bags and not back packs as we have no where to store them safely. Please attach only a small keyring to your child's bookbag to save space when storing.

Toys

We have a no toy policy in school and children **will not be able to bring in items from home to show**.

Celebration Assembly

We have celebration assembly every **Friday at 9:10-9:30am**.

If your child has had their birthday that week or if they have been reached 100 / 200 reads they will stand up during the assembly.

Please do let us know if your child achieves any awards or certificates outside of school so we can celebrate these with them in school.

PE

Please ensure your child has a PE kit in school every day. They will bring this kit home at the end of every half term. If your child wears stud earrings please take them out on the day they do PE.

Rabbits PE day will be on a **Monday**.

Uniform

Please rename everything after every half term as biro washes out easily.

Please also ensure children are wearing black shoes, no boots for girls in winter as they cannot sit in them comfortably.

We recommend that hair accessories are in school colours and any headbands are flat.

SeeSaw

This is our online learning journal which we use to observe and record moments of your child's learning at school. We will begin by using SeeSaw as a learning tool for the children in class to help support their independent activities. In the future, we will use it to inform you about special topics and events and ways that you can support your child in their learning at home, **in the mean time**, we will use e-mail to notify you of events and important information.
