

# Home School Agreement 2024 to 2025

As a school community we agree to follow the school vision and values

## Children

*We agree to be the very best learners we can by*

Being Confident	by showing resilience and challenging ourselves
Being Curious	about ourselves as learners and how to become a better learner
Being creative	by using my imagination in all my learning
Being respectful	to everyone in school and by using my manners, thank you, please, sorry and excuse me
Being a Team	by following all the school rules and my Class Values
Being Happy	by looking after myself and my friends

**FOR PARENTS AND/OR CARERS, WE AGREE TO:**

- *Ensure that our child/children arrives at school on time at 8.40 and attends school regularly*
- *Attend parents' meetings and talk with the teachers about our child's/children's progress*
- *Read with our child/children at least five times a week and support them with homework such as learning spellings and phonic sounds*
- *Support the school's policies on behaviour and work with the school to ensure our child/children hears a consistent message*
- *Support the school by following the school's healthy eating guidelines*
- *Help our child/children to enjoy school by engaging in an open and honest dialogue with the school, trust the school and believe that they have the best interests of our child/children at heart*
- *Talk to the school directly about any concerns we have and not on social media*
- *Not put any photographs of our child/children taken in school on social media as they may also have other children in them*

**FOR ALL SCHOOL STAFF AND GOVERNORS WE PROMISE TO:**

- *Ensure that we provide a safe, secure and caring learning environment*
- *Encourage children to do their best to challenge themselves and develop their personalities and talents to the full*
- *Encourage children to respect themselves, each other, the whole school and the wider community through our school values and a clear consistent approach to behaviour management*
- *Treat children from all backgrounds equally and give equal access to our curriculum*
- *Encourage children to lead a healthy life through drinking water, learning about the importance of a balanced diet and being physically active*
- *Provide a rich and stimulating curriculum of the very highest quality to meet the individual needs of all the children*
- *Put the needs of each individual child first*
